

**NORTH MANCHESTER PUBLIC WORKS  
EMERGENCY PROCEDURES, ORGANIZATIONS & TELEPHONE NUMBERS**

Anytime that a spill of a hazardous substance or a petroleum product occurs at a site that is located within a designated Wellhead Protection Area, the facility should contact the following:

- 1) Immediately call 9-1-1. The 9-1-1 Operator will dispatch the appropriate local and/or county emergency response personnel.
- 2) Contact North Manchester Water Plant at 260-982-2993.
- 3) Within 30 minutes of the spill, contact the Indiana Department of Environmental Management 24-Hour Spill Hotline at 1-888-233-7745.
- 4) If the spill has impacted surface water, within 30 minutes of the spill call the National Response Center at 1-800-424-8802.
- 5) Where required, contact a hazardous materials contractor to assist with cleanup of the spill (see contactor list and numbers below).
- 6) Additional emergency telephone numbers are included below.
